

SREEJITH SAJIKUMAR

UI/UX DESIGNER

ABOUT

I am Sreejith Sajikumar, currently pursuing a degree in Animation and Graphic Design. Throughout my academic and practical experiences, I have developed a keen expertise in **UI/UX and Graphic Design**, adeptly balancing creativity with user-centric solutions. My passion for design drives me to continually push the boundaries of innovation while maintaining a strong focus on user experience. With a natural aptitude for leadership and a collaborative mindset, I thrive in team environments and excel in bringing ideas to life. Additionally, I am proficient in Flutter, allowing me to create dynamic and intuitive digital experiences. Eager to contribute my skills and creativity, I look forward to evolving further as a designer and making a meaningful impact in the field.
